

**24% LESS
DUST!**

INTRODUCING...

WOLVERINE™

**THE BLADES THAT
DON'T MESS AROUND!**

CLEANER CUTS AND LESS DUST.

Wolverine™ is the newest male slot knife from Zenith Cutter, featuring newly-engineered serrations designed specifically for "over-recycled" corrugate. Wolverine blades cut better* and last longer than any other male slot knife on the planet.

***The result is cleaner cuts, less dust and
a safer work environment.***

*Side by side comparison with competitors

ZENITH CUTTER
A FISHER BARTON COMPANY

WHEN IT'S MAKE OR BREAK.™

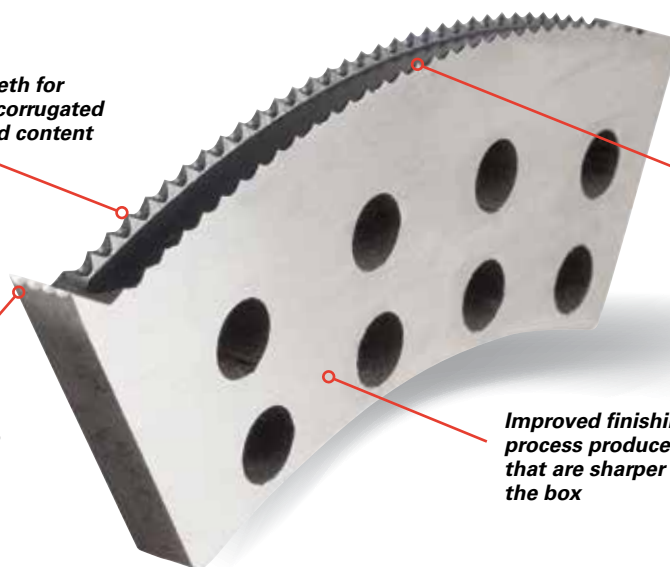

IMPROVED DESIGN

Twice as many teeth for improved cut on corrugated with high recycled content

Optional Serrated Tip for use on:

- Cross Corrugation
- Preprint
- Specialty Liners

Sharper angle for cleaner cuts

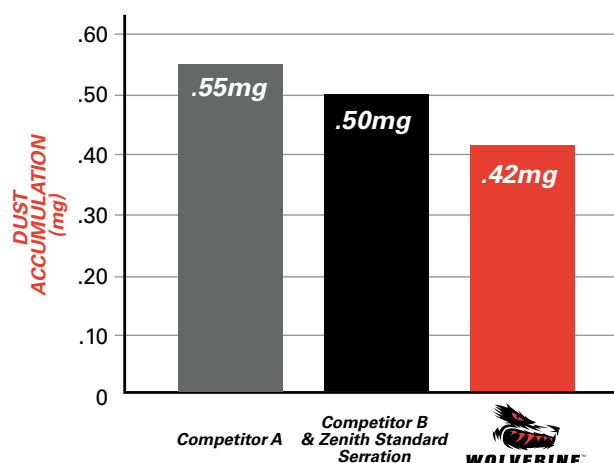

Improved finishing process produces knives that are sharper out of the box

UP TO 24% LESS DUST

Wolverine™ blades cut better and last longer than any other male slot knife on the planet. The result is **cleaner cuts, less dust** and a **safer work environment**. In fact, a recent test* showed Wolverine produced **24% less dust** than the competition.

BETTER THAN THE COMPETITION

- 24% less dust than Competitor A
- 16% less dust than Competitor B & Zenith standard serration

* Based on 100 minutes of runtime, equal quantity of boxes

24% Less Dust

WOLVERINE™

Competitor A
